

# Summer Library Challenge 2022

## Holbrook Public Library

Read, Come to the Library, and Have FUN!

### Challenge #1: Read

-**All ages** may participate in our Summer Reading Challenge! Start tracking your reading **beginning Friday, June 17.**

-Sign up online at [www.holbrookpubliclibrary.org](http://www.holbrookpubliclibrary.org) or download the **Beanstack app** to your phone or tablet.

-You may register individually, or a parent/guardian may register for you. Families can register together! If you register as a family, sign up the adult first, then add the kids.

-Save your login name and password! If you lose your login info, call the library at 781-767-3644 and we can help you.

-It's all about the minutes! We will be counting every 15 minutes you read, all summer long. Our goal is for everyone to read for 10 hours. Do you accept our reading challenge!?

-For every **15 minutes of reading** that you complete, you will earn **1 raffle ticket** for one of our AMAZING raffle prizes. Check out the prizes on display at the library!

-The **last day** to earn raffle tickets will be **Friday, August 19th.** Raffle prize winners will be chosen at random the following week. Raffle prizes must be picked up in person at the library.

### Challenge #2: Come to our Library

-Check out our Summer Events Calendar and come visit us!

-Spin our **Prize Wheel** every time you come to an event. Don't have a library card? It is the perfect time to get one!

-Every spin is a winner from the following four categories:

- Free book from the Friends of the Holbrook Library
- A snack and drink of your choice
- A take home craft / activity
- Treasure Chest of fun things

-The Prize Wheel is available to spin during open Library Hours from July 1 - August 19.

### Challenge #3: Have Fun

-Be on the lookout for fun places to read, fun things to do, and fun items you can check out from the library!

-**Earn extra raffle tickets by completing fun activities!** There are many opportunities to earn extra raffle tickets. Click on the badges in your online Beanstack account to see all the activities available.
